

## DEVIATED

Am I so deviated, am I so deviated ?  
I believe in things that you don't care of  
am I so deviated, am I so deviated?  
I believe in things you won't take in count.  
I am sick of it.

I hope you don't understand,  
I hope this in the end,  
am I deviated?

Am I so strange if I don't watch your fiction?  
Am I so strange if I dont like your shows?  
Keep away your fingers from me!  
I am not a cathodic entity,  
don't have this peculiarity,  
I do not mix tv and reality,  
yo,yo,yo will never convince me;  
yo,yo,yo will never call me in  
..so...burn

have I got probs, have I got probs?  
If I don't follow your brand new diet  
have I got probs, have I got probs?  
if I didn't cry when lady D. died?  
I am sick of it!

I hope you don't understand...  
I hope this in the end...  
Am I deviated?
