

FRAGILE

SWIMMING IN A SEA OF DUST / no more to see
CAN'T RECOVERED FROM THE PAST / insanity
IN A MUTILATED FUTURE / no more to see
EXACTLY FOR THIS KIND OF FUTURE/ insanity

I am nothing, I am fragile
do I need to feel this way?
I feel it anyway.

I am not that one
I've ever wanted to be
I am the failure's son
for the whole world to see

I am a coward... so you'd better forget my name
I am a coward...so you'd better forget me, it's the same.
