

JOIN A NEW PAIN

Break your chest or never feel this way;
open your eyes and join this new pain:
Is this real?
Break your rest and scream what you say,
open your eyes and join this new pain:
Is this real?

IS THIS THE NEW PAIN TO FEEL,
IS THIS FUCKING REAL?
WELCOME IN MY WORLD SO ILL..

Take my hand, let me lead you away;
kiss me no more and join this new pain
is this real?
Take a breath, my heart's in decay
kiss me no more and join this new pain
is this real?

IS THIS THE NEW PAIN TO FEEL,
IS THIS FUCKING REAL?
WELCOME IN MY WORLD SO ILL..

DON'T YOU
FEEL BETTER
DEEP INSIDE OF YOU?

I've never felt this way...

Have you ever experienced...something...well...you cannot
describe; it's like...
The gold gone lead,
the white gone black,
the real gone fake,
the love gone hate.
