

NET REALM

I could never see you!
I could never lie!
Write me your obsessions,
Souls will live tonight.

LIVE TONIGHT...

Take me really fast now, this could be your file
Think which is the reason, think this is your life..

Why you take me - why are you taking
MY FILE...

Why you take me - why are you taking
MY LIFE...

Why you take me - why are you taking
YOUR FIRST HIDE...
MY FILE....

Why you take me - why are you taking
MY LIFE....

Why you take me - why are you taking
YOUR FIRST HIDE....

I..I think you can fly, the net in my mind...
you're never inside.....
